

AllyO is an end-to-end A.I recruiter that makes your recruiting delightful and efficient with intelligent, automated and conversational engagement via text and web chat.

## What We Do

### Capture and Apply

Increase by 2-6X through conversational job matching across all sources of inbound and outbound talent acquisition

### Screen and Assess

Intelligently qualify the candidate specifically for the best-fit role and eliminate drop off rate to under 5%

### Schedule Interviews and Hire

Automate interview scheduling, post interview interactions and offer extension to improve recruiter productivity by over 40%

### Retain

Automate post-hire checkins and gather actionable insights to improve retention by over 30%

### Learn and Self-improve

Analyze and self-optimize overall end to end recruiting performance

## Our Impact

More Interviewable Candidates

Application Completion

Reduction in Time to Hire

Reduction in Cost to Hire
