

# Optimize business performance with recruiting AI and automation

Companies today are facing unprecedented recruiting challenges - from hiring surges and freezes to remote recruiting. To come out ahead, CHROs, CIOs, and CFOs are future-proofing their recruiting tech stack for any market condition.

## Do More with Less

Utilize the work of 10  
recruiters at **25% the cost**.

## Get Time Back

Give your recruiters **1,600 hours** per  
year back for higher value activities.

## Reduce Time to Fill

We work **24/7** so you can boost productivity  
and staff your teams twice as fast.

**93%**  
OF CANDIDATES REPORT AN  
EXCELLENT EXPERIENCE

## Wow Candidates

Delight candidates by eliminating the  
"black hole" and convert **3X** more hires.
